- 4 possible locations -
- 1- C5 center block
 - 2- E5 upper right
 - 3- #6 5/6 June size at intersection
 - 4- D8 lower left

1-(15% confidence) dump located - area includes low structures, bldgs, roads + a runway. Family attraction for those who can afford it.

Person - older man w/ shiny white hair + glasses. in house where he is, is where most of the dumps are house has library w/ shelves books + globe.

Rest of dumps are under floor in back of a plain white van. Pure substance in a small grey - blue plastic sub containers and is transported in brown cardboard boxes.
